

On a mission to deliver healthy food & fresh ideas for those who need it most

## Have you met Gunther?

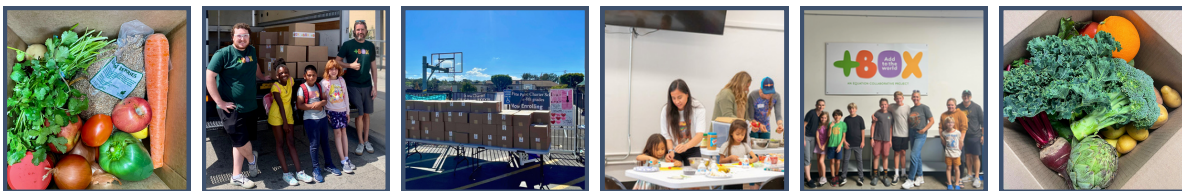

Gunther is our delivery truck, and one of the hardest working members of the +BOX team. Since 2021, Gunther has delivered more than 1,000,000 pounds of fresh, healthy food to food insecure children and families in North County. Gunther is out there every week...

- + Delivering healthy food to support 600 families
- + Visiting each of our 12 school and community based distribution partners
- + Driving 100 miles throughout North County

**Gunther works hard and has a big impact, but our beloved truck is in need of a makeover. With your sponsorship, we can level up Gunther's look and raise awareness for +BOX and your organization's support for a life-changing nutrition program.**

## +BOX: Next-Gen Nutrition Assistance

+BOX is uprooting the conventional food assistance model and collaborating with local communities to create a next-generation food assistance program that fuels wellness, growth, and opportunities for a healthier life. +BOX partners with local farms, food rescue organizations, and neighborhood schools to deliver CSA-style produce boxes to children and families on a weekly basis.

## Gunther Sponsorship Program

Gunther is a blank canvas waiting for your organization's logo (and maybe the +BOX logo and some other fun artwork). By sponsoring Gunther, you'll help us build and spread awareness for +BOX, highlight your organization's support for this important work, and deliver reliable access to fresh healthy food throughout North County.
